Dear Parents/Caregivers,

As reported in the newsletter last year, the Governing Council of Craigburn Primary School has set the Materials and Service Charges for the 2016 year at $390 per student for the full year.

A book levy of $25 applies to all new students. This is a once only fee going towards repair and replacement of resource books.

Please note:-

- The Materials and Services Charge is used, together with other income, to provide your child with text books, stationery, art and craft materials, printing, resources and equipment in all subjects.
- Some items, which attract GST, will be stored in class sets and will remain the property of the school (eg. Calculators).

Our school community relies on everyone making a fair and equitable contribution to school expenses. Craigburn Primary School needs your support so that we can continue to provide a quality program, with the use of appropriate resources in 2016.

Yours sincerely,

Kathy Terrell  
Principal

Kerrin Burrow
