NetSetGO – Junior Netball Program for Reception and Year 1 students.

We are pleased to announce that we will be introducing the NetSetGO junior netball program to Craigburn in Term 3, initially targeted to our Reception and Year 1 students.

Our Netball coordinators with the support of volunteer parents have liaised with Netball SA to establish the program at Craigburn. This involves volunteer parents taking on specific coaching accreditation for Craigburn to qualify as a NetSetGO Centre. We anticipate that we will be formally recognised as a NetSetGO Centre at the start of Term 3.

NetSetGO is Netball Australia’s only junior entry netball program. It has been developed to provide children from 5 to 10 years with the best possible learning and playing experience to develop a positive introduction to netball, ensuring enjoyment and continued participation.

NetSetGO incorporates skill activities, minor games, music, dance and modified matches in a fun and safe environment. The weekly program is coordinated by accredited coaches to ensure a quality experience for all participants.

In the interim, we are commencing our own program for Reception / Year 1 students to be held after school on Friday afternoons from 3.15 to 4.00pm on the top netball court, starting this coming Friday June 12th and including Fridays 19th and 26th June. There is no cost / fee to participate.

We invite all students in Reception and Year 1 to come along to any or all of these sessions as a lead up to the anticipated launch of our NetSetGO program in Term 3. Please note parents / carers must accompany their child.

To help us prepare for our interim program and the NetSetGO program we ask that parents / carers complete and return the expression of interest form to school asap (via class teachers or the front office).

If you have any further enquiries please contact us.

Regards
