Craigburn Primary OSHC & Vacation Care

Providing quality childcare that meets the needs of our families.

Information

Craigburn Primary Governing Council is responsible for running the service. The service is funded by the Commonwealth Government through the Child Care Benefit Scheme and operates in the multi-purpose room and gym at Craigburn Primary.

Our aim is to provide childcare through a high quality recreational program that meets the individual needs of primary aged children in a safe, friendly & nurturing environment. Through our program, children are encouraged to make new discoveries, extend their interests, build positive relationships with their peers and staff and share their skills and knowledge with each other.

If you have any questions regarding the OSHC program or any aspect of the service, please do not hesitate to contact me.
